## Alexander Forbes invites you to our 2013 Retirement Planning Seminars.

---

The last few years leading up to retirement are critical to your financial well-being during retirement. These are the years when you need to make important decisions about your retirement savings and retirement planning.

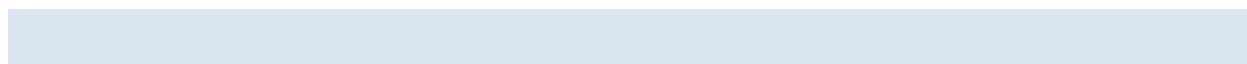

Our research shows that upcoming retirees don't know what to do at this important stage in life. Because of this, many retirement fund members make wrong (and sometimes financially harmful) choices.

Alexander Forbes has been hosting retirement planning seminars around the country. These seminars are especially important for retirement fund members who will retire soon and are considering decisions about retiring, like what type of pension to buy.

**Alexander Forbes invites you and your partner to attend one of our free retirement planning seminars so we can help you address some of the important issues that you will face leading up to retirement.**

Seminars will be held at:

CITY	VENUE	DATE
Stellenbosch	Spier	5 March
Durban	The Elangeni	12 March
Johannesburg	The Sandton Sun	14 March
Cape Town	The Garden Court Nelson Mandela Boulevard	19 March
Pretoria	CSIR Convention Centre	26 March

Booking is essential because seating is limited at each venue. You will receive a booking confirmation – please bring it to the seminar.
